Dear Guido:

Thank you very much for sending the paper you prepared for Professor Landes. I haven't had much time to really focus on it, but it looks like a very interesting report.

It was good to see you on the 4th. I was deeply touched by your birthday gift and appreciate your help in decorating my home. I'll have your A.I. D. degree sent to you immediately.

As always, I look forward to seeing you soon, but it looks as though I'll be away from Washington for awhile.

Keep in touch and thank you again for your thoughtfulness.

Warm personal regards,

Henry A. Kissinger
